There is no denying that Georgians love their sports teams.

There was a strong effort at the beginning of 2023 to legalize Georgia sports betting, but multiple bills were panned in March and a last ditch effort to revive a sports betting bill was unsuccessful.

As of July 2023, there has been no word signaling a revamped effort to make sports betting in Georgia a reality.

But like all other states that still don't have legal sports betting, there is still a chance Georgia sports betting could become a reality.

Player Prop: The widely-popular prop bet lets you wager on outcomes other than the final score of a game, and a player prop focuses on individual player performance.

Sportsbooks will set a projected final total, and you wager you think the final stat will fall over or under that projection.

Common prop bets include how many hits a baseball player will have or how many strikes a pitcher will throw.
