## Covers BetSmart Rating

For over 25 years, Covers.

com has been providing our readers with in-depth sportsbook ratings.

In the process, we've developed the Covers BetSmart Rating to ensure that every visitor from South Korea has confidence that they are wagering at a safe and trusted betting site.

The Covers review team also considers many other factors when evaluating each book.

It's important to us that you get the most up-to-date and informative reviews so that you can select the sportsbook that best suits your needs.

This is why we take a week or so at each betting site to experience the sign-up process along with placing wagers across a wide range of sports.

We then hand these learnings over to you so that you can make your most informed decision.
