So, should a small business owner jump at the opportunity to partner with the trendy review site? Not so fast. Unfortunately, Yelp has racked up a questionable reputation over the years due to lawsuits that accuse the corporation of shady practices such as extortion and manipulated reviews. Horror stories of Yelp proliferate the internet, even inspiring an upcoming documentary about its alleged business practices.

5 Things You Absolutely Need to Know as a Business Owner on Yelp

FUN FACT: Contrary to popular opinion, restaurants are not the most dominant business category on Yelp. According to a recent Yelp report, shopping is the biggest category at 23%, so if you own a retail store, time to get on board if you aren't already.
