New Jersey, the state to bring the sports gambling case to the Supreme Court, is now enjoying the fruits of its labor.

The NC House and Senate aligned on a few changes to the state's sports betting bill on June 2, and concurred early the next week, paving the way for legalization.

The state constitution only permits wagering within Deadwood and tribal lands, but some policymakers believe statewide mobile wagering can be approved as long as the servers are placed in Deadwood.

In 2023, they got it done.

So what's next? Lawmakers will likely try again in 2024, but many of the same problems will remain.

Here are the basics of three-way betting in soccer.

The most common betting option for games in World Cup group play is referred to as "three-way" betting.

If you're used to betting point spreads in football and basketball, it takes a bit of a mental leap to adjust.

If you've bet a lot of moneylines in baseball, it's just a slight tweak (now there's also a moneyline for a tie).

All those options express payoffs for a \$100 bet.

You can bet \$100 to win \$125 on Team A, \$100 to win \$265 on Team B or \$100 to win \$195 that the game will end in a tie.

The teams are close enough in perceived talent that Team A isn't laying chalk as a favorite over the combination of its opponent and a tie.

Many world powers would do so in group play.
